

ALCOP. design

Alüminyum Konik Direkler / Aluminum Conical Poles

Alcop Design produces Aluminum Conical Poles for lighting fixtures and Aluminum Flag Poles in compliance with EN-40 Norms within a 2000m² closed area located in Ankara / Turkey.

Alcop Design aims customer satisfaction with its modern and technological production machines, Innovations and R&D Center.

Advantages of Aluminum Poles;

- * Long service life*
- * Resistant against corrosion*
- * Variety of design, color and pattern options*
- * Light weighted*
- * 100% Recyclable*

Alcop Design özellikle aydınlatma direklerinin olmazsa olmazı alüminyum konik direk üretiminde ve bayrak direklerinde EN-40 normlarına uygun, yüksek teknoloji cihazlarıyla 2000m² kapalı alana sahip Ankara merkezli tesisinde hizmet vermektedir.

Alcop Design modern ve teknolojik makina parkuru, inovasyon ve Ar-Ge'ye önem veren, sürekli eğitim ve gelişmeye açık kalite sistemi, koşulsuz müşteri destek hizmeti veren kurum anlayışı ile çalışmalarını sürdürmektedir.

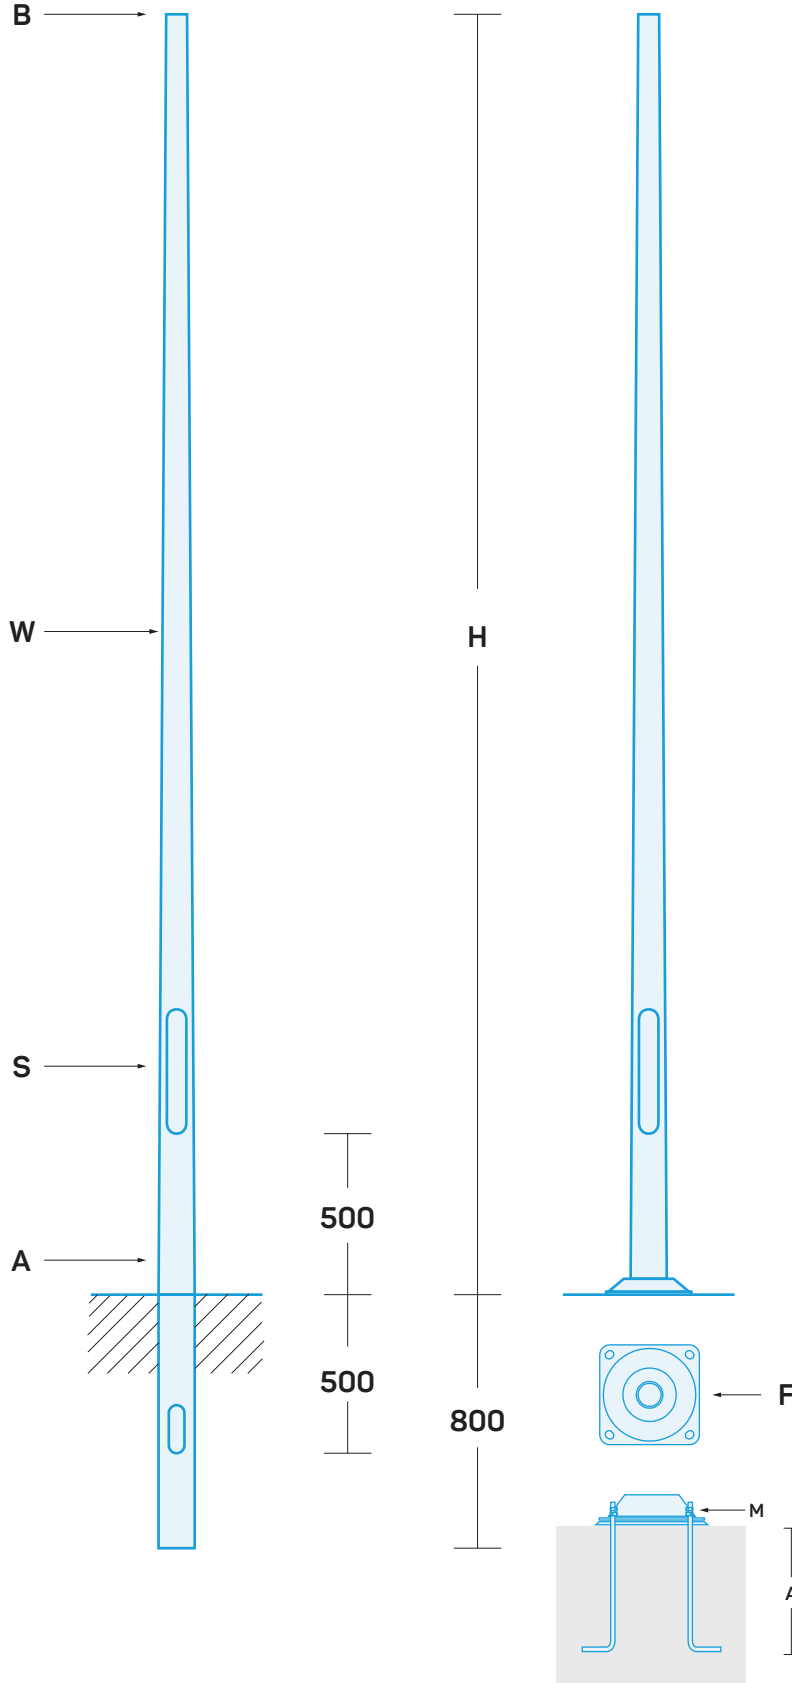

Alüminyum direklerin öncelikle tercih sebepleri;

- * Uzun ömürlü,*
- * Korozyona karşı son derece dayanıklı,*
- * Çok sayıda desen, renk ve tasarım esnekliğine sahip,*
- * Hafif ve dayanıklı,*
- * %100 geri dönüşe uygun çevre dostu olmalarıdır.*
